Production of Sugar

†524. SHRI RAVI SHANKAR PRASAD:
DR. MURLI MANOHAR JOSHI:

Will the Minister of CONSUMER AFFAIRS, FOOD AND PUBLIC DISTRIBUTION be pleased to state:

(a) whether it is a fact that production of sugar has been decreasing constantly in the country for the last few years;

(b) if so, the reasons therefor;

(c) the stock of sugar in the country in October, 2004;

(d) the assessment regarding production of sugar in the country during sugar production year of 2004-05;

(e) the assessment made about the consumption of sugar in the country;and

(f) whether it is a fact that surplus stock of sugar was available in the country during the sugar year of 2004-05?

THE MINISTER OF STATE IN THE MINISTRY OF CONSUMER AFFAIRS, FOOD AND PUBLIC DISTRIBUTION (DR. AKHILESH PRASAD SINGH): (a) and (b) Production of sugar in the country declined in 2003-04 and 2004-05 sugar seasons because of drought and wooly aphids pest infestation in major sugar producing states.

(c) The stock of sugar in the country on October 1, 2004 is estimated at 85 lakh tonnes (provisional).

(d) The production of sugar from sugarcane in the country in 2004-05 sugar season is estimated at 130 lakh tonnes.

† Original notice of the question was received in Hindi.

(e)and(f) Carryover stock from Ist October, 2004 and production in 2004-05 sugar season together is expected to ensure adequate availability of sugar to meet domestic consumption in 2004-05 sugar season.
